Religious Update – Virtual/Remote Learning

Hello Faith Formation Families and Friends,

As you most likely know, our Faith Formation program must go all virtual due to COVID concerns. We have not had any cases that we are aware of here at the church. We are set up to go virtual and we will start this weekend until further notice. We will be going along with all the state and public school directives.

Your teachers will be contacting their in - person students with their zoom ID's and passwords.

We will be cancelling Kindergarten until further notice.

Also, we are planning to do a Faith Formation Family Zoom Assembly with Fr. Matthew in December for Advent and we will have a Middle and High School, grade 7 - 11, general assembly in December on Our Blessed Mother and the Immaculate Conception. I will let you know when we are finished planning these events.

If there are any questions, please let me know. The classes will be at the same times as usual.

Feel free to call me at the office at [569 - 0162](tel:569-0162) or my home at [569-5428](tel:569-5428).

Enjoy this beautiful day!

Many Blessings,

Mrs. Daniele, PCL, O.P.
